This is to certify that Mr. Faisal Aslam, holding CNIC No. 81205-0136628-1, was employed as a Mobile Application Developer (Remote) at First Light, a United Arab Emirates (UAE)-based company, for a period of one year, from April 2023 to April 2024.

During his time with First Light, Mr. Faisal was responsible for designing and developing scalable, cross-platform mobile applications using Flutter and Dart. He actively contributed to the entire application lifecycle of multiple client-facing apps—ranging from requirement gathering and UI/UX integration to coding, testing, and deployment. He worked with real-time databases such as Firebase and MySQL, and successfully integrated RESTful APIs and MQTT-based protocols for IoT-related functionalities.

Throughout his tenure, Mr. Faisal consistently demonstrated strong problem-solving abilities, a solid command of modern mobile development tools, and a commitment to producing clean, maintainable code. His ability to collaborate with team members, work independently in a remote setting, and consistently meet deadlines was highly commendable. His contributions added significant value to several successful projects.

Mr. Faisal proved to be a motivated, professional, and dependable individual with a passion for continuous learning and improvement. He maintained excellent working relationships across departments and was a valuable asset to our development team.

We highly recommend Mr. Faisal Aslam for any future technical roles and wish him continued success in his professional journey.

Warm Regards,

A handwritten signature in black ink, appearing to read 'Thowfiq'.

Mohamed thowfiq
Founder of First Light
